

BROMESWELL PARISH COUNCIL

INTERNAL CONTROL STATEMENT AND REPORT

1. SCOPE OF RESPONSIBILITY

Bromeswell Parish Council is responsible for ensuring that its business is conducted in accordance with the law and proper standards, and that public money is safeguarded and properly accounted for, and used economically, efficiently and effectively.

The council is responsible for ensuring that there is a sound system of internal control which facilitates the effective exercise of the Council's functions and which includes arrangements for the management of risk.

2. THE PURPOSE OF THE SYSTEM OF INTERNAL CONTROL

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can, therefore, only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of the Council's policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically.

3. THE INTERNAL CONTROL ENVIRONMENT

The Council:

The council reviews its obligations and objectives and approves budgets for the following year at its November meeting. The January meeting of the council approves the level of precept for the following financial year.

A Councillor is appointed to have responsibility for bank reconciliation checks.

The full council meets at least 5 times each year and monitors progress against its aims and objectives at each meeting by receiving relevant reports from Councillors and the Clerk/Responsible Finance Officer.

The council carries out regular reviews of its internal controls, systems and procedures. See attached Report.

Clerk to the Council/Responsible Finance Officer:

The Council has appointed a Clerk to the Council who acts as the Council's advisor and administrator. The Clerk is the Council's Responsible Financial Officer and is responsible for administering the Council's finances. The Clerk is responsible for advising on the day to day compliance with laws and regulations that the Council is subject to and for managing risks. The Clerk also provides advice to help the Council ensure that its procedures, control systems and policies are adhered to.

Payments:

All payments are reported to the council for approval. Payments can be authorised at and between meetings (subject to the Financial Regulations) but must always be reported to the council at its next meeting. Two bank mandate holders must sign every cheque or order for payment. The signatories should consider each payment against the relevant invoice, sign the invoice and initial the cheque counterfoil. Where payments are made using online banking then the initiator of the payment (usually the RFO will sign

the Invoice and note the name of the second mandate holder who authorises the payment on that invoice. A copy of the invoice will be provided by email to all mandate holders along with the request for payment authorisation. All authorised bank mandate holders are members of the Council. Where delegation permits, as per s.101(1)(a) of the Local Government Act of 1972 and the Council's Financial Regulations, a report will be provided to the next full Council.

Income:

All income is received and banked in the council's name in a timely manner and reported to the council.

Risk Assessments/Risk Management:

The council reviews its risk assessment annually and regularly reviews its systems and controls.

Internal Audit:

The council appoints an independent and competent internal auditor who reports to the council on an annual basis on the adequacy of it's:

- Records
- Procedures
- Systems
- Internal control
- Regulations
- Risk management

External Audit:

The council complies with the requirements set out in the Annual Governance and Accountability Form regime of governance for public bodies.

4. REVIEW OF EFFECTIVENESS

The council has responsibility for conducting an annual review of the effectiveness of the system of internal control, which should include a review of the effectiveness of internal audit. The results of that review must be considered by the Council, which should also approve the Statement of Internal Control.
