A red scribble on a white background. The scribble consists of several overlapping, curved lines that form a complex, abstract shape. It starts with a small loop at the top left, then extends into a long, thin, curved line that sweeps across the middle of the page. There are several smaller loops and curves interspersed along this main line, creating a sense of movement and fluidity. The lines are a vibrant red color, and the overall impression is one of spontaneous, expressive drawing.
